

Queen of the Holy Rosary Cathedral, Toledo, Ohio

BUCKEYE NEWS CO., TOLEDO, OHIO

QUEEN OF THE HOLY ROSARY CATHEDRAL,
TOLEDO, OHIO

Built of Massachusetts granite and Indiana limestone, this magnificent edifice is the only Cathedral in the world following the Spanish Plateresque style of architecture. Beautiful stained-glass windows, fine statuary and colossal frescoed expanses portray the panoramic record of the great teachings of the church.
